Proposed initial public offering and listing of our wholly-owned subsidiary MMT India

On July 17, 2026, MakeMyTrip Limited (“**MakeMyTrip**” or the “**Company**”) announced that its wholly-owned subsidiary, MakeMyTrip (India) Limited (formerly known as MakeMyTrip (India) Private Limited) (“**MMT India**”), has confidentially filed a pre-filed draft red herring prospectus with the Securities and Exchange Board of India, BSE Limited (also known as the Bombay Stock Exchange) and the National Stock Exchange of India Limited (together with BSE Limited, the “**Stock Exchanges**”) in relation to the proposed initial public offering and listing of the equity shares of MMT India on the Main Board of the Stock Exchanges.

The proposed initial public offering is expected to involve a sale of equity shares in MMT India by MakeMyTrip and its wholly-owned subsidiary, ibibo Group Holdings (Singapore) Pte. Ltd (“**ibibo Holdings**”). Upon completion of the proposed initial public offering, MMT India will continue to be a subsidiary of MakeMyTrip and will be included in MakeMyTrip’s consolidated financial statements.

MakeMyTrip expects the proposed initial public offering and listing of MMT India to enhance its brand visibility and support MMT India’s ability to incentivize and promote talent in a competitive technology recruitment landscape.

The net proceeds received by MakeMyTrip and ibibo Holdings from the sale of shares in MMT India will further strengthen the cash position of MakeMyTrip and are expected to be utilized for long-term growth, strategic inorganic initiatives and repurchases of different classes of securities (including convertible securities) by MakeMyTrip.

Subject to regulatory approvals, MakeMyTrip and MMT India may evaluate alternatives in medium-term to enable our respective shareholders to enjoy the benefits of a security at MMT India level that is fungible and listed across India and US capital markets.
